## Special Committee Meeting To Draw Up G O P Candidate Slate

HARRISBURG (P)—A committee of Republican leaders met here today to draw up an organization ticket for the May 20 primary campaign.

The committee was charged Monday by the full party policy committee with the task of sifting through the potential gubernatorial and U. S. Senate candidates after the policy committee was unable to agree on an organization slate during a three-hour meeting here.

George I. Bloom, GOP state chairman, chose 27 party leaders and himself for the select committee. Bloom personally endorsed Arthur T. McGonigle, Reading pretzel manufacturer for governor at Monday's meeting. Several members of the committee are considered in Bloom's corner, including James Malone, president of the Pennsylvania Manufacturers Assn.

Besides McGonigle, 12 others were to be given consideration by the special committee:

Mayor Nolan Ziegler of Harrisburg; Sen. Douglas Elliot of Franklin County; Robert H. Kent, state treasurer; Rep. W. Stuart Helm, speaker of the house; Auditor General Charles C. Smith; Sen. William Z. Scott of Carbon County; Allegheny County Judge Henry X. O'Brien; William S. Livengood, former secretary of Internal Affairs; Maj. Gen. Daniel B. Strickler, Lancaster County, former lieutenant governor; John M. Walker, Allegheny County commissioner; Sen. Robert D. Fleming of Allegheny County, and Superior Court Judge Blair Gunther.

Bloom said Harold E. Stassen's name had been presented to the policy committee but that there was no sentiment for the former Minnesota governor.

Mentioned for the U. S. Senate nomination were U. S. Reps. James E. Van Zandt of Altoona and Hugh D. Scott Jr. of Philadelphia and T. Newell Wood, Luzerne County commissioner.

Bloom expected the committee to come up with recommendations by the end of the week for consideration of the Policy Committee.

Stassen, Livengood and Strickler are the only announced candidates for the gubernatorial nomination although others have said they are available or would run if given organization backing.

Judge O'Brien yesterday he would not consider entering a primary race—even with organization endorsement—if a fight developed.

"My security as a judge eligible to pension means more to me than a race for the governorship nomination under the circumstances," he said.

Wolverton asked Harris whether a motion to extend an invitation to the senators to testify would be in order at a closed-door subcommittee session. Harris said it could be discussed then.

Harris has taken a stand that the House group not only has no authority to call the senators as witnesses, but may not, under House rules, directly invite testimony from them. He says there is an "open invitation," however, or any members of Congress to testify if they wish to do so.

The senators whose names have occurred most often in testimony of maneuvering over Miami's TV Channel 10 are all Democrats—Kefauver of Tennessee and Holm and Snathers of Florida.

The investigating subcommittee has heard testimony that all three made inquiries or representations to the Federal Communications Commission while the commission was considering the hotly contested case.

## Walkout of Dressmakers Begins Today

NEW YORK (P)—A pre-Easter strike of 105,000 dressmakers began today in three Eastern states. The walkout was the first in the billion-dollar-a-year industry in 25 years.

Manufacturers said most of their Easter finery already had been produced and delivered to outlets.

The International Ladies Garment Workers Union called the strike against some 1,550 dress contractors in New York, Pennsylvania, New Jersey, Massachusetts, Rhode Island, Connecticut and Delaware.

As they poured from the shops in the New York garment district, along 7th Ave., from 35th to 40th St., women workers appeared in a holiday mood.

They were jovial and laughing as they headed to the Garden to hear George Meany, AFL-CIO president, and David Dubinsky, ILGWU president, address the rally.

Prior to the actual walkout, union sound trucks toured the garment district, giving strike instructions.

Wages and contract conditions are at issue.

Union sources said they expected the strike to be brief—possibly ending this weekend—but they said the union has 33 million dollars in the till and that it could finance a walkout of long duration.

Besides the 105,000 workers—40,000 of them in New York City—the strike was expected to idle 25,000 other workers in related fields, such as embroidery, belt-making and garment trucking.

In New York City, the garment workers reported to their shops as usual, then at 10 a. m. began a march to Madison Square Garden for a huge strike rally.

Similar rallies were on the schedule in localities outside the city.

## Warren Represented at Cancer Society Meeting

A meeting of the Northwest District, American Cancer Society, was held in Oil City Saturday, under the chairmanship of the Rev. H. O. Payne of Clarion.

Attending from Warren County Unit were Edgar Pendleton, county Crusade chairman; John Mallory, co-chairman; Miss Mina Rieder, executive secretary, and Miss Margaret E. Wright, chairman of publicity for the Crusade in April.

Three officials of the Society were present from Harrisburg to give helpful information and instructions for planning the annual Crusade for funds. These included Mrs. Allene Chew, field representative; James Norvell, state Crusade chairman, and Miss Gladys Swift, state publicity chairman.

## Stage Set in House for Fight on Expo Exhibit

By ERNEST B. VACCARO  
WASHINGTON (P)—The stage was set today for a new Senate House fight over the U. S. exhibit at the Brussels International Exposition opening in April.

The Senate Appropriations Committee, without a dissenting vote, has approved the full \$2,054,000 requested by President Eisenhower to complete the financing of the project.

It took this action yesterday in voting out a \$2,866,048,216 supplemental money bill which likely will be taken to the Senate floor for action Friday.

The House rejected the request, and voted instead to transfer to the Brussels fair one million dollars of funds previously appropriated for the 1958 World Trade Fair in Gorki Park, Moscow. The House earmarked that transfer for a public health exhibit.

## CHECKS FOR SCHOOLS

HARRISBURG (P)—The Public Instruction Department today mailed checks totaling nearly 50 million dollars in subsidy payments to 2,014 fourth class school districts.

The checks represent state support for the districts for instructional costs and related services. This is the second payment for the fiscal year ending May 31.

## Democratic Leaders Seek Harmony Talk With Furman

### BULLETIN

HARRISBURG, (P)—Democratic state party leaders today endorsed Common Pleas Court Judge John Morgan Davis of Philadelphia as the organization's candidate for nomination for lieutenant governor in the May 20 primary. Sen. Joseph M. Barr, Democratic state chairman, said "It accepted Davis will resign from the bench to conduct his campaign." The action came at a meeting of top echelon party leaders shortly before a scheduled session of the Democratic State Policy Committee at which the completed slate will be presented for formal endorsement. On Monday the same group chose Mayor David L. Lawrence of Pittsburgh as its choice for the gubernatorial nomination; Gov. Leader for the U. S. Senate nomination and Genevieve Blatt for a second term as secretary of internal affairs.

### By LEONARD A. UNGER

HARRISBURG, (P)—Gov. Leader today formally announced candidacy for the Democratic nomination for the United States Senate.

"I solicit the support of all those who believe—as Mayor David L. Lawrence and I believe—that good government for Pennsylvania must be continued in the years ahead," Leader said in a statement.

The governor said "this will come as a surprise to practically no one."

On Monday Democratic leaders endorsed the Pittsburgh mayor for governor. They also endorsed Leader for the Senate and Miss Genevieve Blatt, Pittsburgh, for a second term as secretary of internal affairs.

Leader's announcement came a short time before Democratic leaders prepared to meet to discuss naming a candidate for lieutenant governor.

The leaders also were expected to talk Lt. Gov. Roy E. Furman out of running for the gubernatorial nomination against Lawrence.

Furman said he resisted the combined pressure exerted upon him last night by Barr, Lawrence, U. S. Rep. William J. Green, Philadelphia Democratic city chairman and James Clark, Philadelphia trucking executive.

"I feel just the same," he told a newsman. "I'm in the race to stay."

News of Furman's conference with Lawrence came as a surprise, since earlier in the day he described the Pittsburgh mayor's candidacy as "a palpable hoax."

Furman said he planned to carry his battle to an afternoon meeting of the 62-member Democratic Policy Committee.

In another development, a plan to endorse Victor E. Moore, Philadelphia councilman, for lieutenant governor failed to materialize at a 2½-hour meeting of Democratic slatemakers last night.

This session, scheduled to be resumed during the day, followed the private dinner meeting among Furman, Barr, Lawrence, Green and Clark.

Barr said there were "too many" slatemakers absent and that he did not even call the roll on lieutenant governor. He said northeastern Pennsylvania Democrats asked for a day's delay to present a candidate from their section.

William J. Nealon, Lackawanna County chairman, was reported as favoring Sen. Hugh J. McMenamin, Scranton, for the No. 2 post. Barr listed these others as being mentioned for lieutenant governor: Mayor Arthur Gardner of Erie, Sen. Jo Hays (Centre) and Edward Carroll, Luzerne County commissioner.

Top Democratic leaders have endorsed Lawrence for governor, Gov. Leader for U. S. senator and Miss Genevieve Blatt for a second term as secretary of internal affairs.

Edward J. Kelsky, Pittsburgh, chairman of the Furman-for-governor Finance Committee for western Pennsylvania, said these endorsements didn't hurt Furman's chances.

## Judy Garland Charges Sid Strangled Her

SANTA MONICA, Calif. (P)—Judy Garland, suing for divorce, says Sid Luft has beaten and "attempted to strangle" her several times.

The singer filed the suit yesterday against the theatrical agent to whom she was married in 1951. Her previous husbands were composer David Rose and producer Vincente Minnelli.

Miss Garland requested an order restraining Luft from harassing or injuring her or removing their children, Lorna, 5, and Joseph, 3, from the state. She also asked the court to evict Luft from the family home in Beverly Hills.

The court set a hearing for March 14 on the restraining order and her request for \$4,425 monthly temporary support and custody of the children.

## Girl Has a Mystery In Stolen Snowman

Absecon, N. J. (P)—Somebody stole Joyce Chivale's snowman.

Joyce, 11, built the six-foot snowman in her yard. It was still there when she got up the next morning but disappeared when she returned from school later in the day.

Just how somebody managed to pilfer the snowman remains a mystery but Joyce is convinced it didn't melt. The temperature never got above freezing all day.

## Army Launches Explorer-Type Satellite Today

Cape Canaveral, Fla., (P)—The Army launched a second Explorer-type satellite with a Jupiter-C rocket today.

The launching came just 33 days after another Jupiter-C hurled the free world's first satellite into an orbit.

The 70-foot launching rockets were identical.

The new satellite vehicle, like the one that preceded it, was a metal tube more than six feet long and six inches in diameter. It streaked skyward as a twin to Explorer I and as a traveling companion to the Soviet Sputnik II, both now orbiting the earth at about 18,000 m. p. h.

As with Explorer I, the Army planned to let the world know within two hours whether its newest space vehicle had attained the maximum of 200 miles of altitude and the speed it must have to stay aloft for long.

The four-stage rocket, a slim snow-white giant, roared away from its concrete launching stand at 1:28 p. m.

The rocket moved up slowly at first, its tail emitting a stream of yellow and orange flame.

Within 25 seconds it had climbed up into an overcast and was out of sight.

Even after it disappeared into the thick clouds, the Jupiter could be heard roaring skyward.

## Boy Insists He Pushed Two Girls to Deaths

NEW YORK (P)—An 11-year-old boy says he pushed a 4-year-old girl into the Hudson River to drown last summer because she told his mother tales about him. He earlier admitted drowning a 7-year-old boy.

"I was mad at her," George Jones, the 11-year-old, told police last after he admitted drowning Theresa Murphy.

"I got blamed for things I didn't do and she was always the cause of the blame," he added.

Jones said earlier he drowned 7-year-old Louis Diamant last Sunday because the younger boy reneged on a promise of a dime to go roller skating with him.

## INSISTS GOVERNMENT IS EVER READY FOR ACTION TOWARD A GENUINE PEACE

### By MARVIN L. ARROWSMITH

WASHINGTON (P)—President Eisenhower said today the United States never will close the door on any efforts to arrange a summit conference with Soviet leaders.

No matter how crooked the path, or how narrow in negotiations for such a meeting, this government always will be willing to take any step toward real peace, he told a news conference.

But, Eisenhower said, he believes it would be absolutely futile—in fact, damaging to U. S. interests—to have a summit conference unless there were proper preparations for it.

The President said he is in full agreement with Secretary of State Dulles on the matter.

Dulles said earlier the Soviet Union's latest proposed terms for a presummit meeting are unacceptable to the United States.

Eisenhower also said he has received a message from the Kremlin leaders saying they would be glad to consider holding a summit conference in the United States.

In comment on that, Eisenhower said there would be no particular need for meeting in Washington if the conference were a brief one. On the other hand, he said, a Washington session might be a good idea if the conference were to be a long one.

He noted that the Constitution makes it difficult for him to be out of the country for any long time.

In the course of the news conference, the President dealt also with these other matters:

**ECONOMIC**—Eisenhower expressed the view that spending federal money in an effort to end the business slump is not in itself entirely desirable. He added that we should not attempt to make the government the most important factor in dealing with the recession.

The government can help, he said, by keeping a careful watch and by such steps as easing credit and stimulating housing construction.

He said further he believes the economic upturn, when it comes, will be primarily the result of millions of American citizens' buying the things they need.

**DISABILITY**—Eisenhower said that, in his view, Vice President Nixon would have all the powers a president has—including authority to sign bills passed by Congress—if it should become necessary to put into effect the Eisenhower-Nixon agreement regarding any Eisenhower inability to perform his duties.

With a smile, the President said he is afraid a lot of people are no better lawyers than he is in discussing the situation.

Eisenhower said Atty. Gen. Rogers is planning a news conference and will be in position to answer questions dealing with the legal and constitutional aspects of the matter.

He shrugged off, in response to questions, a contention by House Speaker Rayburn (D-Tex) that the Eisenhower-Nixon arrangement—which provides for Nixon to become acting president in case of Eisenhower disability—is illegal.

Eisenhower replied in the negative when asked whether Nixon ever has taken over as acting president at the time of any of Eisenhower's three major illnesses during the last 2½ years.

Eisenhower said the agreement (Turn to Page Twelve)

## Bakery Workers Defy AFL-CIO by Re-Electing Cross

### By HAROLD HARRISON

Cincinnati, (P)—The Bakery and Confectionery Workers International Union is headed into a renewed fight for existence as an organization operating independently from the AFL-CIO.

Its special convention moved toward a close today after delegates despite a surprising show of passive resistance, defied the AFL-CIO by re-electing James G. Cross president.

The union has been expelled from the AFL-CIO for alleged corruption in leadership. Most of the charges centered around Cross.

Before the expulsion order, the AFL-CIO declared Cross should be barred from seeking re-election.

Withdrawal of Alex White of Buffalo, N. Y., left Cross without opposition but delegates representing 493 votes abstained from voting.

Cross received 8,124 votes. After that, the rest of the administration's slate of officers quickly was elected.

## Attempt to Clear Billy Mitchell's Record Rejected

WASHINGTON (P)—An attempt to clear the military record of the late Brig. Gen. William (Billy) Mitchell, whose sharp-tongued campaign for a stronger air force brought him a court-martial, has failed.

Secretary of the Air Force James Douglas overruled an Air Force board yesterday and rejected a petition from Mitchell's son William Jr., Boyce, Va., that the air pioneer's 1925 court-martial conviction and sentence be voided.

Douglas had words of praise for the stormy, outspoken officer who died in 1936.

## 54 Million in Federal Aid for State Roads

HARRISBURG (P)—Highways Secretary Lewis M. Stevens said today almost 54 million dollars in federal aid road construction went into actual construction during January.

It raised the department's active program as of Jan. 31 to \$420,993,000.

A report to the U. S. Bureau of Public Roads also showed that Pennsylvania had \$137,933,000 in federal projects under design as of Jan. 31, an increase of \$56,392,000 compared to a month before.

## Annual Easter Seal Sale Is Opened by Local Committee

A sure sign of spring is the opening today of the 1958 Easter Seal campaign. 8,000 sheets of Easter Seals went into the mails this morning for delivery in Warren county homes, according to Horace A. Cray, chairman of the Warren County Crippled Children's Committee.

The 1958 appeal, sponsored by the National Society for Crippled Children and its 1,655 Easter Seal affiliates will continue through Easter Sunday, April 6.

"Every citizen in Warren county will have an opportunity to help our crippled children this year," Mr. Cray said. "This should be our greatest campaign, for although medicine

has overcome some of childhood's important crippling accidents increase and, with increased population, the number of children crippled at birth increases accordingly. Fortunately, in our democratic way of life in America, each of us can help these crippled children walk through our own gift of a very small portion of our income. Each of us can know with certainty that our dollars have given a crippled child a chance at a full life, when we give Easter Seals."

The 1958 Easter Seal campaign locally seeks funds to support a program of care and treatment services for crippled children. Last year over 250 crippled in Warren county benefited from these services.

## \$500,000 Blaze Visits Industry At Sherman, N. Y.

SHERMAN, N. Y. (P)—Fire of undetermined cause early today destroyed the Duplex Mfg. Corp. plant with a loss which Fire Chief Harry Hipwell estimated at \$500,000.

More than 100 firemen from Sherman, Clymer, Finley Lake and other nearby communities fought the blaze. No one was hurt.

Patrolling police discovered the fire. They said the blaze broke out in the rear of the two-story, L-shaped structure.

The firm manufactures toolboxes, metal tool cabinets and other metal products.

## U. S. Skate Claims Record For Crossing the Atlantic

PORTLAND, England (P)—The nuclear-powered American submarine Base docked at this British naval base today and its skipper claimed a record for the fastest transatlantic crossing from the United States ever made by a submarine.

The sleek, lead-colored sub crossed the Atlantic in 8 days 11 hours—traveling under water all the way.

"That's the way to travel," said the skipper, Cmdr. James F. Calvert. "I've never been so enthusiastic about any ship in my life."

"Our time of 203 hours beat anything ever done by a submarine coming from the United States to Europe."

lus, America's first and biggest atomic sub, may have clocked a similar time to the Skate's on a recent return trip from Europe.

He said he was not sure just what the previous best west-to-east time was but "a submarine is going pretty well usually if it makes the trip in around 14 days."

Calvert declined on security grounds to tell newsmen the speed at which the Skate traveled, how many miles she covered or at what depth the journey was made.

The 265-foot Skate, the world's third largest nuclear-powered submarine, sailed from Groton, Conn. on Feb. 24 on her shakedown cruise. She joined the Nautilus and Seawolf in the Navy's growing nuclear fleet last December.

Built by the Electric Boat Co., a division of General Dynamics Corp., the Skate is capable of traveling 61,000 miles without refueling. It cost 31 million dollars to build.

## NO COUNTY TAX INCREASE SEEN

Tentative Warren County budget figures for 1958 indicate there will be no county tax mill increase this year, according to the Commissioners' office. The budget figure this year is \$375,000 approximately \$38,000 more than last year. However, increased revenues are expected to hold the tax millage at 10½, eight for county purposes, two and one-half for County Institutional District. Budget figures are open for public inspection at the Commissioners' office for 20 days before the millage is officially set.

## Expanded Child Welfare for County Discussed at Capital

An expanded child welfare program for Warren County appeared probable today after Pennsylvania Welfare Secretary Harry Shapiro outlined how additional state and federal funds could be made available.

Meeting Tuesday in Harrisburg with County Commissioners Blain Mead and Lewis Crippen, along with Warren schools instruction director, Gerald Newton, Secretary Shapiro

stated that if a duly recognized advisory council was appointed and the employees were put on civil service status, federal, as well as state "fair share formula" could be expected.

In 1956 Warren County spent \$36,887 on child welfare. In 1955 the sum was \$49,000. The state 1955-57 biennium amounted to \$13,000.

Commissioners pointed out a private agency is now responsible for most of the child welfare work in the county, and that the assistance of these people should be recognized and maintained.

Commissioners and Welfare Secretary Shapiro agreed that an advisory council is to be appointed as soon as possible with representatives of the department attending the first meeting to outline purposes of the program and to discuss specific problems and needs in Warren County as the department knows them.

## Merit Scholarship Qualifying Test Set for April 29

The National Merit Scholarship qualifying test will be given to junior students in Warren High School on Tuesday, April 29, according to the following announcement prepared by the news-writing class:

One of the purposes of the National Merit Scholarship is to find the most promising students for the scholarship offered. In 1957, 836 Merit Scholarships were awarded to high school students. The average 1957 Merit Winner draws a cash stipend of \$640 a year for four years.

However, there are other guidance values and uses for taking the National Merit Scholarship Test. The test will: 1. Enable you to understand your present academic strengths and weaknesses. 2. Give you facts with which to plan your senior year. 3. Help you decide about going to college. 4. Enable you to select college courses of study in which you are most likely to succeed.

Juniors who are planning or considering college, business college, schools of nursing, vocational, business or technical institutes or schools are advised to take this test on April 29th. The cost of this service plus the taking of the test is a dollar. Interested Juniors desiring to take this test should register their names with the Guidance Office as early as possible.

## Chamberlain Is Better Than Ever Tops All-America

NEW YORK (U.S.)—His team failed to make the NCAA championship tourney this year, but the big 7-foot Wilt Chamberlain of Kansas played better than ever and tops the 1958 collegiate basketball All-America announced by The Associated Press today.

Oscar Robertson, Cincinnati's sensational sophomore; Elgin Baylor of Seattle; Guy Rodgers of Temple, and Don Hannon of Pittsburgh complete the All-America selected for the AP by a vote of 316 sportswriters and broadcasters from every section of the country.

Chamberlain, Robertson, Baylor and Rodgers led the voting by a wide margin.

All four are Negroes. Hitherto the largest number of Negroes to make the first All-America team has been two.

Hannon, the little 5-4 1/2 flash hailed as the best Pitt player in 30 years, did not threaten the top four in the voting, but was far ahead of Bob Boozer, Kansas State's star. Boozer was sixth in the voting and thus headed the second team.

Robertson, a high school whiz in Indianapolis, lived up to all advance notices in leading Cincinnati to the championship of the Missouri Valley Conference.

Baylor, a native of Washington, D.C., who admittedly played "my worst game" in the NIT tourney last year, came back this year to be a whiz at Seattle.

Rodgers, at 6-foot the next smallest man on the team and a native Philadelphian like Chamberlain, rose to the heights in leading Temple to a successful season.

## Warren High Band and Orchestra Ready Program for March Concert

Instrumental musicians of Warren High School will present their annual mid-winter band and orchestra concert at 8:15 p. m. Thursday, March 13, in Beatty Junior High School auditorium.

For the past couple of months these two musical groups have been working hard with their director, Harry A. Summers, to prepare a program that will be of interest to all music lovers. The orchestra will open the program with the playing of "Komm: Susser Tod", a Bach chorale. Continuing the first portion of the concert, the orchestra will offer the first movement of "Symphony in F major" by Carl von Dittersdorf and the andante cantabile from Tchaikowski's "Fifth Symphony."

Violin soloist, Gale Scholes will entertain with Mozart's "Violin Concerto No. 3", and the orchestra will conclude its part of the program with "A Melodic Caravan", a group of popular numbers by Jimmy McHugh, and "Temptation" by Freed-Brown.

The Warren High School Concert Band will open the second half of the program by playing "The Billboard March" by Klose and "The Second Suite for Military Band in F Major",

based on English folk tunes by G. Holst.

James Hewitt, with orchestral background, will be heard in a trumpet solo, "My Regards". Continuing, the band has chosen "The Wizard of Oz Fantasy" by Harburg and Arlen, "Colonel Bogey March" by Alford, and "A Spiritual from Symphony No. 5 1/2 (A Symphony for Fun)" by Don Gillis.

Robert Engstrom, drum soloist, will do "Grandfather's Drum" by Ostling and the program will conclude with the band's playing "Perpetual Motion" by Carl Bohm and "March Cincinnatus", a composition by Vandercook.

Tickets for the concert are available from any member of the band or orchestra at the cost of 50 cents.

### STUDENT RECITAL AT CONSERVATORY

A group of 20 Warren Conservatory of Music students was heard in recital Saturday evening in the Conservatory, with Adelaide Swanson in charge of the program. The young people performed to a more than capacity audience.

Two of the young people were voice students, the others performing as capable pianists. These young musicians have several opportunities each season to appear in Conservatory recitals, thereby gaining in confidence in their musical endeavors.

The following students were heard: Piano—Marjorie Stewart, Cheryl Doherty, Eileen Swanson, Elizabeth Crossett, Judy Regina, Karen Eldridge, Linda Mahan, Paul Nelson, Loretta Frederickson, Nancy Cook, Gloria Morgan, Bill Eldridge, Delores Mascaro, Dolores Mallory, Roberta Linder, Bruce Holmberg, Cynthia Fehlman, Howard Halpern, Rita Erdle. Voice—Suzie Whren, Sandy Frederick.

## Is Symposium Leader

The Rev. Amos C. Carey, ordained in the Episcopal Diocese of Erie and assigned to St. Mary's at Lawrence Park for the past four years, will be leader for a symposium on "The Suburban Parish, Its Problems and Opportunities" at Trinity Memorial church this evening, following a twelve dinner. This is one of a series of such programs presenting the missionary and evangelistic work of the Diocese.

Philadelphia native, he attended public schools of New Jersey and Massachusetts before attending Lafayette College and serving as a Naval midshipman and engineering officer trainee during World War II. He holds a BS degree and a master's in economics from University of Illinois and, after working in Chicago in fire insurance inspection, was graduated in 1954 from The Church Divinity School of the Pacific in Berkeley, Calif.

Particularly interested in relating his training in the fields of economics, labor and industrial relations, he has had various specialized opportunities to represent the church in Erie. For a time, he taught at the Behrend Extension Center of Penn State University; has represented the Diocese at two

REV. AMOS C. CAREY

statewide conferences of economists; has been the representative of non-Roman Christian churches in Erie with programs of the Erie Manufacturers Association, and has been instrumental in planning Ethics in Industry Workshops sponsored by GE. He also represented the Diocese at a regional conference of the National Council Urban-Industrial Division.

A chaplain in the Naval Reserve, he is married and father of a daughter and a son.

## YWCA Group Planning Events of the Future

There were 33 members and guests in attendance at the monthly meeting of the Desert-Luncheon Club of the YWCA, when dessert was served by Mrs. Howard Putnam, Mrs. Kenneth Johnson, Mrs. Elmer Baldensperger, and Mrs. Guy Albaugh.

At the business session in charge of Mrs. Ralph Sandberg, club president, it was decided to have Mr. Proukou cater a luncheon in the cafeteria for the March meeting. A schedule of dessert and luncheon meetings in alternate months was adopted for the balance of the year.

Mrs. Norman A. Johnson gave an interesting and delightful review of the life of Marian

Anderson, using her book, "My Lord, What A Mornin'". The speaker was introduced by Miss Margaret Wright.

Mrs. Carl Whipple and Mrs. Ned Lauffer will be hostesses for the March 28th luncheon, when an American Cancer Society film will be shown. All YWCA members are invited to keep this date in mind.

### CLARENDON UNIT PLANS ACTIVITIES

Mrs. Kenneth Knight, president, conducted the February meeting of Clarendon Borough PTA, with devotions given by Mrs. Chester Walker. A routine business session included reports given by Mrs. Paul Lobdell, secretary, from the Warren Junior Chamber of Commerce and from Judge Alexander Flick, Jr. It was decided to send contributions to the Youth

# The Overblouse for Slim Figures

## Selection Care Pays Dividends In Beauty

BY GAILE DUGAS  
NEA Women's Editor

NEW YORK — (NEA) — The overblouse, looking its best on a slim and willowy figure, goes into a second spring this year.

It's worn both with suits and skirts. In either case, it can achieve a costume look since it is meant to have fashion importance. When you buy one of the new overblouses, it's a good idea to try it on with the skirt for which it's intended so that you know exactly how it's going to look.

The chances are that it will look its best with a slim and narrow skirt or one that's pleated. Generally, it's banded in at the hipline which means it's not a fashion for those with a hip problem nor for very short people.

Blouse collars follow the standaway trend of suit collars this season and emerge cuffed, cowed, in bateau, modified scoop or draped scarf form.

We show here two versions of

the spring overblouse. It appears (left) in white Irish linen with wide-away neckline and double front closing of pearl buttons. Midway version (right) is in prettily cotton rose print with organza collar neckline and soft organza tie. Both blouses have the banded hipline.

## Sisterhood Members Plan Purim Services

A large group was in attendance at the March meeting of the Sisterhood of Tiphereth Israel Synagogue, when Mrs. Harry Segel, president, announced all children and parents are to attend special Purim services at the synagogue at 7:00 p. m. today. In observance of the holiday, there will be reading of the Megillah.

The annual Purim party for adults will be held Saturday evening, and all who plan to attend are requested to come in costume. Also, the children will observe the holiday with a carnival and costume party at 2:00 p. m. Sunday.

Rabbi Herbert Berger will conduct a mock Passover Seder for the Sunday School children Sunday, March 30. Also, in conjunction with this holiday, he will perform the Seder Service for patients of Warren State Hospital April 8, Mrs. Charles Sontag, Mrs. Isadore Trager and Mrs. Jerry Schindley to furnish refreshments.

The president announced Mrs. Abe Schwartz and Mrs. Morris Shulman will furnish refreshments for State Hospital patients in March. She also selected a nominating committee consisting of Mrs. Bert Levinson, Mrs. Charles Sontag and Mrs. Harry Punskey.

Rabbi Jack Glickman will present a magic show for children and adults March 22 and 23. His performance is unique in the fact it is "Bible Magic." Mrs. Raymond Stein and Mrs. Helen Punskey will be co-chairmen of refreshments for this affair.

In conclusion, Rabbi Berger showed film slides and spoke on his most interesting trip to Europe and Israel, which was enjoyed by all.

Refreshments were served by Mrs. Jerome Waxman, Mrs. Paul Benson and Mrs. Hershal Kanovsky.

### ERROR IN NAME

Apologies are extended Mrs. James R. Valone, who was paired with Mrs. D. E. Conaway in the Monday night Marconi Bridge Club session and placed third. The name of her husband was incorrectly used in the game report in Tuesday's issue.

## Excellent Program at Church Women's Meet

LUDLOW--Mrs. Carl Eliason and a committee comprised of Mrs. Evert Johnson, Judy Johnson, Mrs. Lawrence Larson, Mrs. Gustav Olson, Cathleen Burns and Winifred Jones, presented an inspirational program for the monthly meeting of Moriah Church Women.

Using the theme "The Johnson Family Builds a Library", four of the committee gave a skit, "Mission Tidings"; Mrs. Eliason and three others demonstrated and described books. Later, a display of books was seen in another room.

Spiritual Emphasis was the topic of Mrs. Charles E. Carlson, who also was chairman of Dime Books, many of which were received at this time; Mrs. Emil Anderson was chairman for Mission Tidings subscriptions; Pastor Carl Eliason gave the benediction.

The president, Mrs. Carl Benson, held a short business session. Announcements included an executive board meeting for Warren District at 2:30 p. m. March 16 at the Warren home of Emma Christian, district president. Next regular meeting of the local group will be the American Missions Festival, open to everyone and scheduled in conjunction with the March 20 Lenten service. Mrs. Lawrence Larson will serve as chairman.

Hostesses for the evening were Mrs. M. I. Jones, Mrs. Robert Knight and Mrs. Lawrence Larson.

Luther Leaguers entertained 30 or more Tabor League members from Kane for a fine meeting at the local church, with 48 present in all. Cathleen Burns conducted the business session and extended the welcome; Carol Ann Ralston and Winifred Jones presented a program on "The Teen-ager and Dating"; Dick Carlson gave devotions.

The Kane League planned and directed games and the social hour, with refreshments served by the local League, assisted by Mrs. Charles Fetzek. Counselors present were Mr. and Mrs. Jack Golden and Mrs. Eugene Swanson, Kane; Rev. and Mrs. Eliason and Enoch Nelson, Ludlow.

### SUCCESSFUL DANCE

Phi Zeta Chi Sub Deb Club reports the "Rock 'N Roll" dance held at Marconi Outing Club March 1 was a very successful affair, with over 400 young people in attendance. Bill Lehman's Rock-Its provided music for dancing, featuring Junie Schenck.

TODAY is pay day for all who have classified ads.

## Happy Anniversary

—Photo by Stokes

Mr. and Mrs. Donald E. Ing in the book managed by grandchildren Richard Smith and Linda Slingerland were Mr. and Mrs. Rudy Anderson, Mr. and Mrs. Walter Anderson, Kane; Mr. and Mrs. Hugh Olson, Mr. and Mrs. Ike Slingerland and family, Alliance, O.; Mr. and Mrs. Kenneth Anderson and family, Frewsburg, N. Y.

Helen G. Shorman and Donald E. Schuler were married March 2, 1918 in the parsonage of North Warren Presbyterian church, the Rev. W. C. Wallace officiating. They left March 3 for Augusta, Ga., where Mr. Schuler was stationed with Company I at Camp Hancock. Both are members of the North Warren church.

They have two children, Mrs. Richard Smith, North Warren, and Mrs. Ike Slingerland, Alliance, O.; also five grandchildren, Richard, Donald and Dan Smith, Linda Jean and Terry Slingerland. Also among guests for the pleasant anniversary event was Mrs. Schuler's mother, Mrs. Annie Shorman, who makes her home with them.

## Moderator Is Speaker

The moderator of the Presbytery of Erie, the Rev. Dr. D. L. Ferguson, will be the preacher at the Lenten Preaching Mission in First Presbyterian church at 7:30 this evening. Pastor of Westminster Presbyterian church in Erie, Dr. Ferguson will speak on "Conflicts in Discipleship", third sermon in a Lenten series, "Living With Conflicting Loyalties".

Dr. Ferguson received his BA degree from Muskingum College and his BD degree from Xenia Seminary. In the United Presbyterian Church, he served as pastor in St. Louis, in Richmond, Ind., and at New Castle, Pa. Pastor of the Erie parish since 1952, he was married in 1921 to the former Mary Anderson of Xenia, O., and they have three sons and a daughter.

The pastor, the Rev. Donald

## Metzger-Wright's to Have Girl Scout Show

An event of unusual interest to Girl Scouts of Warren-Forest Council is being planned by Metzger-Wright's, local Girl Scout equipment agency, as a "kick off" for Girl Scout Week activities planned throughout the Council. This is a Style Show to be held Saturday, March 8th, at 2:00 p. m., in the YVCA activities building.

Mrs. Leota Clark, of Metzger's, is in charge of the Style Show, which will feature Girl Scout and spring fashions for girls of Brownie and Intermediate Scout age. Acting as models for the show will be Carol Mohney, Sharon Rich, Sandra Farrell, Karen Knowlton, Charlene Hamm, Peggy Chambers, Rita Hessley, Cynthia Larson, Sandra Johnson, Pam Beyer, Jill Kifer and Doris Anderson. Refreshments will be served at the conclusion of the show.

Much interest is being shown in this event, which is the first of its kind to be held in the Warren-Forest Girl Scout Council for some years, and an invitation to attend is extended to all Brownies and Scouts in the Council. All those planning to attend should note that the Style Show will be held at the YVCA instead of at Metzger-Wright's, as originally announced.

### REBEKAH LODGE

Lady Warren Rebekah Lodge will have a planned thirteen supper in the lodge rooms at 6:00 p. m. Friday and any member not contacted by the committee is asked to call 6560-M. The usual business session will follow at 8:00 o'clock.

## Plagued Day And Night with Bladder Discomfort?

Unwise eating or drinking may be a source of mild, but annoying bladder irritation—making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exercising, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills. Doan's Pills act 3 ways for speedy relief: 1—They have a soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, headache, muscular aches and pains. 3—A wonderfully mild diuretic action thru the kidneys, tending to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. New, large economy size saves money. Get Doan's Pills today!

## Mrs. Melvin Keller Is New Department Head

Mrs. Sidney W. Blackman presided at the Community Service Department meeting held Monday afternoon at the Woman's Club, when Mrs. James Potter, chairman of the nominating committee, announced the following slate of officers for next year: Mrs. Melvin Keller, chairman; Mrs. Sidney Blackman, vice chairman; Mrs. Kermit Forsgren, secretary.

Judge Alexander C. Flick, Jr., gave an informative talk on Warren County Probation Association, stating the purpose of this organization is to provide care, guidance and control of neglected and delinquent children. He told of the wonderful progress which has been made and plans for the future.

Richard McCarthy, associated with the architectural firm of Beck and Tinkham, chose the theme "Let's Start All Over Again", and gave constructive ideas on city planning, housing and industrial developments; also stressing the importance of zoning laws.

Mrs. John O'Hara announced next Monday will be a luncheon-meeting and a delightful program has been planned by Richard Rapp and his students. Mrs. John Trevenen was hostess for tea, with Mrs. Robert Donaldson and Mrs. James Frantz pouring.

### BUSY SESSION FOR DIAMOND GRANGERS

There was a good attendance at the regular meeting of Diamond Grange at Tiona Tuesday evening. Mrs. Mabel Rapp, home economics chairman, urged members to enter the National Grange Sewing Contest and to sponsor non-members in this worthwhile undertaking. For details, anyone interested may call Mrs. Rapp at 1556-R.

A group of the Grange ladies are working on cancer dresses today in the Grange Hall, Miss Mina Rieder, from the Cancer Society office, supervising.

During the lecturer's hour, a most interesting program was presented by Mrs. Isabel Luther, Tiona postmaster concerning the Post Office Department, its functions, etc. To those present, it was most informative and the presentation was well received.

At the conclusion of the

meeting, a social hour was enjoyed and refreshments were served by hostesses, Mrs. Floyd Ahlquist and Mrs. E. Guy Frick.

### ROSE NELSON IS GUEST FOR PARTY

Miss Rose Nelson, confidential stenographer-clerk in the Bell Telephone Company business office and soon to retire after 42 years of service, was honored guest last evening when Mrs. James Richards entertained other office employees at her home in the Warren Apartments.

Lunch was served and Miss Nelson was remembered with several nice gifts. Others present for the pleasant occasion were Mrs. Tom Barratt, Mrs. Gail Bimler, Mrs. Bill Dicello, Mrs. James Wilson and the Misses Lois Callard, Nancy Sisson, Peggy Erickson, Selma Huntington and Kay Byers.

HOME LEAGUE MEETING Home League members of the Salvation Army will hold their regular meeting at 8:00 p. m. Thursday in the second floor rooms of the Citadel. The program will center on "Education" and will be led by Mrs. Pearl Burke and Mrs. Betty Parker, the specific topic to be "Wake Up and Read". Mrs. Charles Schaffer, chaplain, will be in charge of devotions, refreshments will be served by a committee.

## Special Observance at Lady Eagles' Meeting

Lady Eagles, at their regular meeting Tuesday evening, observed Past Presidents' and Charter Night, with the following past presidents in attendance:

Maud Eckland, Jessie Eadie, Helen McCool, Sena Forsgren. Charter members on hand to join in the festivities were Mrs. Eckland, Pauline Colvin, Louise Bailey, Jean Keister, Wilma Cook. Several others were unable to be present.

Plans were completed for the annual Memorial, which will be observed at 4:30 p. m. Sunday, March 23, and will be open to the public. A large turnout of members was urged, and there was a reminder Memorial practice will be held at 7:30 p. m. next Tuesday.

Eleanor Bedow's name was called for the attendance prize, but she was not present.

A social gathering followed the meeting, with a light lunch served by the March social committee from a table beautifully arranged by Conductress Romaine Johnson.

wife, Mrs. Dible, will journey ladies, with the Corps' major's to Sharon Thursday morning to attend a Home League leaders' conference.

## Mirrored in Our Times

Juvenile Delinquency has certainly become a prime topic of conversation lately even though Warren's percentage of trouble is considerably less than that of other communities. However, every once in a while, one witnesses future delinquents in their earlier stages. Not long ago, we purchased a bird-feeder from our church chapter and during the heavy snow hung same from a suitable tree limb. Two lads (both old enough to know better and not of our immediate neighborhood) have persisted in throwing snowballs at the gadget, scattering seed that might save a hungry bird and taking obvious delight in this act of malicious mischief. We anticipate the day when they'll deface public property far more valuable. Unfortunately, even though we know the names of these boys, we realize

ter and milady is suddenly seized with an urge to become more attractive quickly and easily. Folks famous in the cosmetic world anticipate such female urges and choose March as the month to specialize. For most, the family budget can't stand much strain, even for the sake of new loveliness. That's why we checked at our favorite Drug Store to see what was what in the way of specials. We found a dandy!

At the Warren Drug Store—now featuring the much-publicized Max Factor offer! A Hi-Fi lipstick (75c val.) absolutely FREE with the purchase of Max Factor's Creme Puff, the new, instant and complete make-up in attractive case. Both items smooth on easily and are so flattering. A reg. \$2 val., yours now for just \$1.25.

Now that we've dealt with the "face of the matter", let's turn to other surroundings. With the approach of spring, '58, Warrenites look forward to the time when our glorious foliage will be at its fullest and most beautiful. Streets no longer choked with snow will be lined with exquisite trees; lawns, crisp and grassy, will welcome the colorful touches of early flowers. Gardens will take on new hue. So it is that our lady—she, too, will be ready for a new season, a new wardrobe—indeed a new era. Regardless of her fashion choice—she'll be seeking a new coiffure in the form of a permanent. With the end of the Lenten season and the dawn of on Easter Day, she'll fulfill a longing to look her very best, and unless she ar-

ranges appointments wisely, she may be caught in quite a crowd of gals with similar ideas. So—may we heartily recommend that you make your date now with—

Phyllis Baccchi—at home—313 Jackson Ave. The last word in fine permanents and expert facials.

We were delighted to learn that Helen Pendleton Rockwell's second fascinating Cook Book was due from the presses this week. Having been privileged to preview Marne Capt. Richard McCutcheon's foreword to the new "The Amateur Epicure's Cook Book" 9 and his comments suit his remarkable personality, we anxiously await our initial glimpse of a copy of same. Mrs. Rockwell's "Here's How" has enjoyed continued success and from all indications, this new edition should be even more valuable to those whose aim is to become an exciting culinary artist. Our congratulations to one of Warren's best-loved celebrities.

A great deal of space has been devoted this evening to the "new look" for the ladies, but

## Half-Hour Hairdo Is New Cutting Sensation

BY ALICIA HART  
NEA Beauty Editor

WOMEN who want a haircut but not a set, who want to get in and out of a beauty salon in half an hour, who want a natural-looking hairdo, will welcome a new cutting technique just developed.

Your hair is shampooed, then cut, arranged but not set, dried for five minutes and you're finished and ready to leave. You have a hairdo that's easy to manage. Your stylist will give you directions for taking care of it until your next visit.

Developed by Coiffures Americana, the new cutting may be had in salons across the country. This shaped cutting is based on a knowledge of your hair texture and type. It works for everything but very limp or fine hair. It's a kind of beauty service that salons have not offered before. It means a real saving in time for busy women as well as a finished hairdo that looks neither "set" nor stiff.

This girl has a hairdo that was cut, shaped and dried in just half an hour. It's a new kind of hairstyling now done in salons throughout the country. No setting is necessary.

## Little Scent Carriers Do Big Fragrance Job

Tiny heart-shaped scent carriers are perfect for scenting date bag or gloves. They come packaged with a cologne concentrate and each one will diffuse a small amount of fragrance for hours. You just toss them away when scent evaporates.

BY ALICIA HART, NEA Beauty Editor

THIS is the time of the year when a girl warms up to something new in beauty, something to give her spirits a lift and make her feel prettier.

A package of little heart-shaped scent carriers is just the thing to turn the trick. These come with a bottle of cologne concentrate. Each small heart is designed to hold and diffuse a small amount of the fragrance for hours. You can tuck the little

heart into your glove or date bag pin it to your slip or bra. The warmth of your skin helps to diffuse the scent and surround you with fragrance for hours.

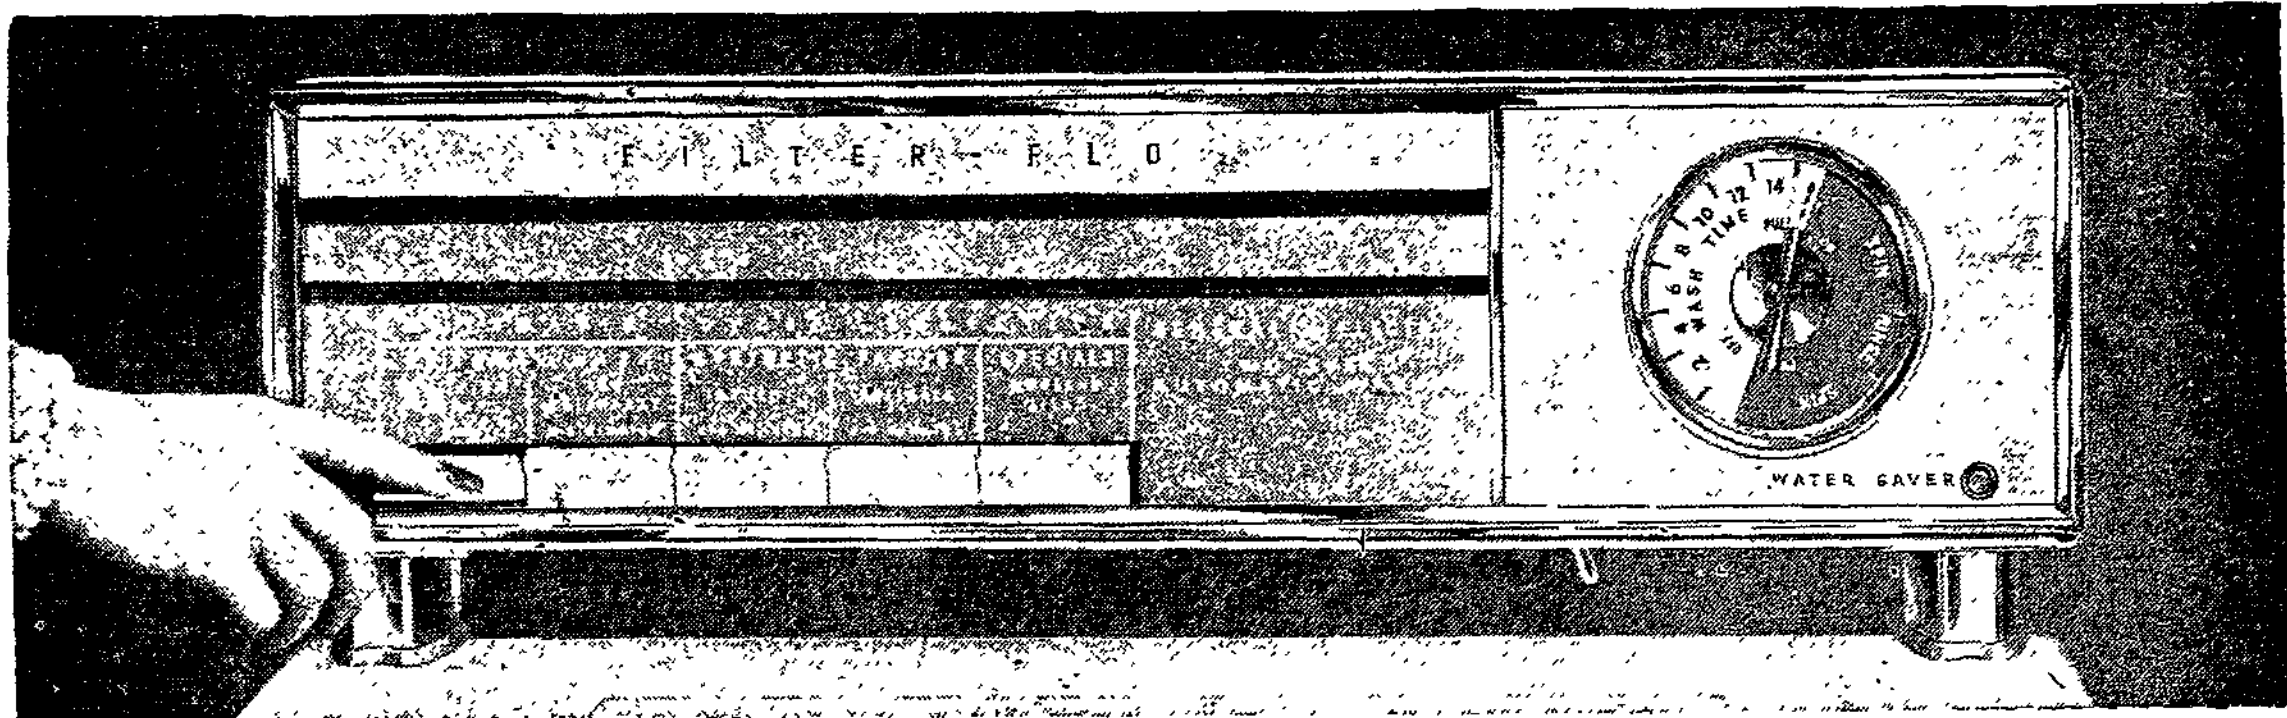

The cologne that comes with this set has a spicy smell with a lovely jasmine note predominating. Other beauty helps are made up in this scent, a whole series of them. You can match bath salts, oil concentrate, bath powder and soap, if you like.

# NOW! One Touch, One Turn for Clean, Bright Clothes

Touch One Key, Turn One Dial and Your Washer is Properly Set for any Fabric  
Only this GENERAL ELECTRIC FILTER FLO® Washer is that simple!

### No Lint Fuzz on Clothes!

Lint is caught in filter—not on your clothes. Sand and soap scum removed automatically too.

FILTER WILL NOT CLOG! No messy traps to clean, no clogged screens to impede water flow!

EASY TO REMOVE AND CLEAN! Slips on and off top of Activator. Collects lint in tidy roll!

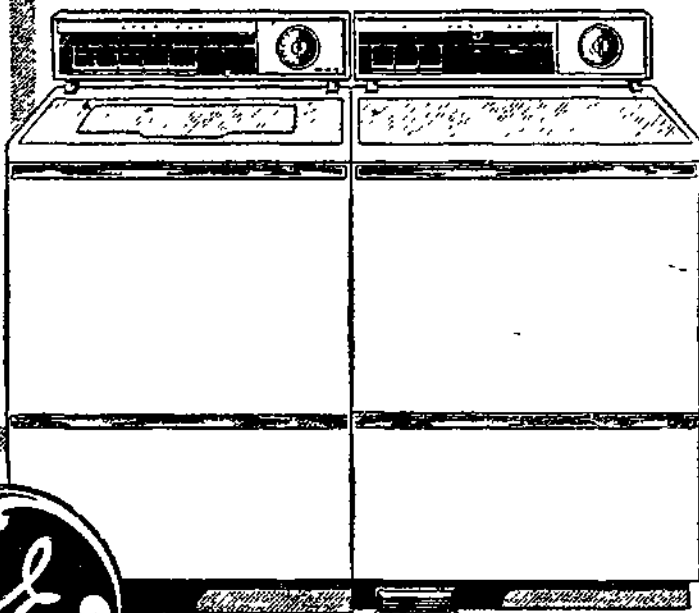

MOVING FILTER helps dissolve detergent then distributes it evenly throughout washwater!

No guessing... touch one key for regular wash—wash and rinse temperatures, wash and spin speeds are pre-selected for you. One turn of the dial lets you choose exact wash time needed by your clothes.

It's just as easy to get perfect results with non-colorfast clothes, synthetics, and "special" items like blankets... there's a key for each.

With General Electric's Fabric Keys there's no guessing to get these advantages: Family washables can be washed to order. Eliminates most special hand washings. Synthetics washed without set-in wrinkles—cuts down ironing. Delicate fabrics won't fray—last longer.

## Convicted Soviet Spy Is Teaching Cellmate French

NEW YORK (U)—Vincent J. Squillante, a convicted extortionist, at first didn't like his cellmate at the federal house of detention here. After a while, however, a friendship bloomed.

Squillante's cellmate, in fact, began to give him French lessons. They had started on active verbs before Squillante was transferred a month ago to serve a one-year sentence at the U. S. penitentiary at Lewisburg, Pa.

The cellmate was Col. Rudolf Ivanovich Abel, a convicted Soviet spy.

Squillante saw no reason why he should have a spy as a cellmate. He asked to be transferred "into the general prison population" but was turned down.

Acting Warden Alex Krinsky related yesterday he rejected Squillante's pleas because of "a

variety of threats made against his life."

Boredom is an enemy of all prisoners. Squillante had tried to burn up excess energy scrubbing and rescrubbing his cell. Abel relaxed in the cleanliness.

Squillante's boredom did not ebb, however, and he and Abel began to search for common ground. They finally settled on language lessons for Squillante.

Squillante has called himself the "godson" of Albert Anastasia, slain executioner of the old Murder, Inc. gang.

Abel taught English and French at the University of Moscow for seven years before he became an officer in the Soviet secret police.

When they settled on French lessons, Krinsky ordered the book they wanted from a publisher. Then Squillante was transferred.

## TV HIGHLIGHTS and PROGRAMS

by Charles Mercer

NEW YORK (U)—Sunday is becoming a day heavily devoted to survival on television. Last Sunday, for example:

Charles Van Doren conducted a half-hour NBC-TV study of "Sat-

ellites, Schools and Survival" pre-

pared by the National Education

Assn. In this excellent program

we learned that every citizen has

a role in education, so essential

to our survival as a free and power-

ful nation.

Wide World (NBC-TV)

took us on a fascinating dry-run

against sudden enemy attack in

"Force for Survival." Military

leaders emphasized in this

absorbing examination of our

national defenses that military might

is essential to our survival.

See It Now (CBS-TV) offered

one of its best shows of the

season in probing the question of

"Statehood for Alaska and

Hawaii?" In covering every side

of the complex problem, the

program left one viewer with

the feeling that the cause of those

who desire statehood is just and

urgent—if not quite essential to

survival.

The gripping story of several

fellows who failed to survive was

told on Twentieth Century (CBS-

TV) in "Trial at Nuremberg." The

filmed highlights of the trial of

the Nazi war criminals were es-

pecially evocative in studies of the

faces of the men on trial. . . .

## 4-H Leaders Win Top Awards

Whether leaders are born or made, two outstanding Pennsylvania 4-H'ers agree that continued leadership demands perseverance and hard work.

They are Sylvia Salushick, 18, of Beaver county, and Harold Harpster, 20, of Centre county, are 1957 state winners in the 4-H Leadership program. Each received a handsome pen and pencil set to commemorate their selection from Edward Foss Wilson, awards donor.

Miss Salushick's award comes for nine full and happy years in 4-H Club work. Besides being president of her local and county

S. Salushick

clubs she was a junior leader five years. In 1955 she attended the National 4-H Club Congress in Chicago as state winner in the food preparation program.

Speaking of survival, the Sheraton Hotel in Philadelphia has worked out the perfect way to survive a convention, one of the more rigorous ordeals thought up to try the stamina of modern man.

Closed circuit television is the answer. In the words of General Manager Lloyd B. Carswell: "During morning and afternoon Channel 7 will be available to organizations to telecast highlights of meetings throughout the hotel, enabling delegates to view proceedings in the comfort and relaxation of their rooms."

## New Treatment for Dope Addicts Proving Successful

SOUTH PASADENA, Calif. (U)—A Hollywood psychiatrist says a treatment for dope addicts that eliminates the agonies of withdrawal has been tested here with encouraging results.

Dr. Stuart C. Knox told an interviewer last night the therapy bypasses narcotics entirely in favor of injections of two enzymes—ethylene disulphonate and adenosine triphosphate.

He said these enzymes are not new and are, in fact, rather commonly known. But he said he believes they have not been used together previously in this type of work.

An enzyme is a substance which expedites certain chemical processes within the body.

The injections relieved withdrawal symptoms such as cramps, nausea and sniffing as effectively as a dose of the narcotic previously used, Dr. Knox said.

He said the group studied at Braewood Sanitarium here included more than 100 persons of both sexes, ranging in age from 17 to 45. Some of them had been on drugs as long as 20 years.

## Consumer Is Man Who Will Eventually Break Recession

By STERLING F. GREEN  
WASHINGTON (U)—The consumer is the man who, sooner or later, will break up this recession. But right now he is buying with caution, saving more, trying to get old bills paid before he takes on new debt.

That's the story told in city after city to Associated Press reporters conducting this "How's Business?" survey across the country.

Out in Reno, Nev., where gambling is flourishing and business is ahead of a year ago, a puzzled banker said: "People are nervous without knowing what they're nervous about."

Retailers reported buyers are well heeled but bargain conscious. They seem less willing to pledge a piece of future income for a new car or refrigerator, either because they're less sure the income will hold up or because they think prices may drop a bit if they wait—a vain hope, so far.

The average consumer is drinking a bit less liquor, buying more

hamburger and less steak, giving smaller tips.

Except in the harder-hit areas, he has been making his regular church contributions and planning his summer vacation at the same resort. In more rarefied income brackets, he is keeping up his country club membership.

A Nashville furrier reported: "My most popular mink lines this year are in the \$750 range. Last year the most popular sellers were around \$1,000." But he can still sell mink coats.

The survey suggested that the salaried, white collar employee hasn't felt much pinch. Even so, more wives are looking for part-time jobs, all across the country. And more people are letting their part-time maids go. More children are carrying lunches, instead of buying hot lunches at the school cafeteria.

Across the country, AP newsmen found, it was factory workers who were bearing the brunt of the recession.

Major credit organizations report that defaults and repossessions are up a trifle but the losses still are low—certainly not alarming, nothing to suggest that the consumer is overloaded with debt. This is a sampling of the reports given AP interviewers.

From North Carolina, a furniture man—"I haven't sold a piece of furniture in a week, but my trucks are all busy—going out to haul in stuff people aren't keeping up payments on."

A Montana banker—"Repossessions are up 40 per cent over last year. On the other hand, there has been an increase in the number of savings accounts."

A big San Francisco department store—"Collections are good. It could be that people want to put their houses in order and get rid of debt before they feel any real recession effects."

A United Auto Workers' official, Local 887, Los Angeles—"I tell our laid-off aircraft people: Conserve your money and don't get into debt until the job situation improves."

A welfare official in the South—"It seems to me the average out-of-work fellow is better off now than he was in 1954. Then, so many owed payments, and they were terrified they'd lose everything in the house. More seems to be paid for now."

The survey indicated that in spite of Washington's well-publicized swing to easier money, credit is tighter for millions of lower-income consumers.

But the high-quality borrower or installment buyer is being wooed by stores and banks as he has not been since the credit binge of 1955. A Charlotte, N.C., contractor remarked: "Last year you couldn't get a loan unless you were a prime customer. Now they're out asking you wouldn't you like some money?"

In almost every city, department stores have begun wooing new credit customers with "revolving" charge accounts, which permit a customer to pay, say, \$50 a month on his account but keep adding to it. Interest is

charged on the unpaid balance.

In only one city did the AP reporters find a businessman who thought this was being overdone. A Huntington, W.Va., banker was "appalled" by the increase. He said: "Instead of cutting down they're going deeper into debt."

A curious by-product of recession is an upturn, in some areas, in the luxury trade. Macy's vast department store in New York City reported it is selling more jewels, furs, and perfumes, and costlier ones.

A spokesman for the National Dress Manufacturers Assn. offered a possible explanation for the same trend in women's wear. "It appears that with the falling off of family spending for durable goods such as autos, they have more to spend on embellishments."

Men's clothing sales have lagged this winter while women's apparel flourished. "When the family starts curtailing the clothing budget, men are the first to go," explained Milton Fried, research director of the Amalgamated Clothing Workers Union.

"People are eating bigger lunches and cutting down on dinner," said an official of the New York State Restaurant Assn.

Do-it-yourself haircuts are coming back in Minneapolis. Movie attendance is so-so. A Virginia report says, "Movies are holding the level of last year, which was bad."

## BOYLE'S COMMENT

By HAL BOYLE

NEW YORK (U)—"A lot of people have it easy in this life," said Erskine Caldwell. "They don't have to work hard."

"I do. I have to sweat."

But in the last 30 years Caldwell, a tall, blue-eyed, sorrel-haired man who looks as if he had been quarried from the red earth of his native Georgia, has written 34 books. They range from the early realism of "Tobacco Road" to his recently completed "Molly Cotton," a children's story.

This year will mark the film debut of "God's Little Acre," his most successful novel. More than eight million copies have been printed, and it has become the best-selling work of serious fiction ever written in America.

It has been translated into two-score languages. But for some reason "God's Little Acre" has never been distributed in the Soviet Union, where several of Caldwell's other works are quite popular.

"I don't suppose the Russians care for the first word of the title," he remarked dryly.

He wrote the book 25 years ago last summer in a Maine farmhouse in three months at a period in life when he was at financial rock bottom.

"I only worked at it on the odd days," he recalled. "On the even days I had to cut wood and raise potatoes."

"Usually I rewrite a book 15 to 20 times, but not this one. As I finished each sheet, I let it fall to the floor. And when I had finished enough sheets I had the book. I have never read it myself since."

For 20 years, angered at what Hollywood had done to his "Tobacco Road," Caldwell stubbornly refused all offers to make "God's Little Acre" into a film. Finally he did it himself on a partnership basis.

The movie was shot near Stockton, Calif., because no location site could be arranged for in Georgia. People in his home state, Caldwell said, didn't approve of his portrait of Southern life.

"But after the film was finished," he added, "the mayor of Augusta wanted us to have the premiere there but after he had had a private showing to see what he wanted to cut out."

Caldwell, who has fought censorship all his life, made it clear the film's premiere won't be in Augusta.

His years of privation stuck in his memory.

"I still save string, rubber bands and paper clips," he said. "I never got rich enough to let it affect my work."

Caldwell rarely reads books now, rarely associates with other writers because he thinks writers—including himself—are pretty dull people socially.

"All writers talk about is their own work," he said. "They don't even know good jokes."

## Outstanding Jr. Citizens Award Nominees Asked

Warren Junior Chamber of Commerce is currently asking for nominations for the "outstanding junior citizen of Warren county."

This program, designed to give the outstanding youths of the area the recognition they deserve, is open to any student of 14 through 18 years of age, residing in Warren county. Individuals and groups may nominate a potential junior citizen by submitting a letter to J. F. Riedel, Box 778, Warren, Pennsylvania, before March 15, 1958.

The letter of nomination should include a complete description of all honors, awards, offices held, scholastic standing, and services to home, school, church, organization, or community of the nominee. A photograph of the candidate must be enclosed.

The judges, a panel of prominent business and social leaders of the county, will select

the most outstanding eight young people as finalists. Judging will be based upon the following qualities:

- Initiative and diligence in school.
- Ability to inspire and lead others.
- Services rendered to groups and organizations of which the nominee is a member.
- Awareness of civic responsibilities.
- High sportsmanship qualities.
- Faithfulness and service to church.
- Acceptance of family responsibilities.
- Special proficiency in personal achievements.

The eight finalists will win a 2/3 expense paid trip to Pittsburgh in May. From this group of 8, the Jaycee Junior Citizen will be chosen. The winner will receive an expense-paid trip to a large city, a certificate and additional prizes.

UNIONTOWN, Pa. (AP)—Mrs. Katherine Kochera, 85, of Hutchinson, was killed yesterday by a Western Maryland Railroad freight train at Shaffer's Crossroads near this Fayette County town.

## Gorge in River Near Kittanning Is Less Serious

KITTANNING, Pa. (AP)—An ice gorge on the Allegheny River now isn't as serious a flood threat to Kittanning and Freeport as it was last weekend, the U. S. Weather Bureau said today.

The five-mile long gorge built up during the weekend between Rimerton and Mosgrove about 18 miles north of Kittanning and backed up water like a dam.

Vernon Houghton, chief river forecaster in the Weather Bureau office at Pittsburgh, said the backed-up water has been slowly draining out beneath the ice, reducing pressure on the gorge.

He said the water may wear a channel in the middle of the gorge, carrying off the ice gradually, or the ice may drop off a chunk at a time. In either case, Houghton said, there would be no serious flood threat downstream.

Rain forecast for tomorrow night could possibly make the threat more serious by building up the river level behind the ice again, Houghton said. If this were to happen and the ice would give way suddenly, Houghton said, the quick release of backed up water could inundate low-lying spots in Kittanning or Freeport.

He said it now appears that the ice will remain stationary until Friday or the weekend.

## Cocktail Party for the Birds Pays off in Japan

TOTTORI, Japan (AP)—Tottori farmers threw a cocktail party for the sparrows last night and hundreds of the guests wound up in the bag.

The farmers, who consider the birds pests, soaked wheat in alcohol and scattered it about their homes. The sparrows ate their fill, staggered about and passed out in the snow. The farmers bagged them and plan a feast.

Masaji Watanabe, chief of the local agriculture bureau, said it was a Communist trick. He learned how to lead the birds to drink on a visit to Red China last year.

## San Juan Rabbit Is Not Welcome in Maryland

ANNAPOLIS, Md. (AP)—The Maryland General Assembly has officially declared the San Juan rabbit unwelcome in Maryland.

The House of Delegates followed the State Senate in banning immigration of the rabbits, which originated in Australia.

San Juan in this case refers to an island off the coast of Washington. The rabbits vegetate on truck crops and the bark of trees.

## THE MARKETS

**NEW YORK (AP)—Stock market** prices moved inconclusively in quiet early trading today.

After three days of a moderate advance the market was narrowly mixed. A number of pivotal issues showed no change.

Most changes were fractional. Steels and motors were virtually unchanged. Aircrafts showed a string of small losses as did rails.

Oils and coopers were steady to a bit higher. Chemicals and rubbers were mixed.

The news background contained some bullish items such as a boost in copper prices by a big Belgian producer, a published report of an upturn in the barometric machine tool business and progress in Washington with a new anti-recession housing program.

## Letters to Editor

(Editor's Note: The following comments are excerpted from a letter sent in reply to a letter published Feb. 25th.)

The only statement or figure in his (Harold Spink) letter that is approximately correct is the cost of the lawnmower. The Northern Area Joint School Board purchased, on a bid basis, a power mower, which cuts an 84 inch swath for \$1195.00. Tractor equipment to handle the same work, with less efficiency, would have cost \$2,000 up to \$3,000 plus, on bids received.

The Northern Area School Board encourages public interest and participation in school affairs. Reports of all Board Meetings are published as a public service by all the local newspapers.

Additional information is available to all concerned upon request to the proper school officials.

Office hours are maintained at Eisenhower High School from 8 a. m. to 4:30 p. m. The telephone number is Russell, Plateau 7-5879. The public's cooperation is requested in observing these hours except in situations of an emergency nature.

Very truly yours,  
Travers Stohlberg,  
Sugar Grove, Penna.

## YOUNGsville

YOUNGsville—Max Hoy, who was caught in the drive shaft of a barn cleaner Monday, was taken to Warren General Hospital, where it was determined he was badly scratched and bruised but had no broken bones. If there are no further developments, he hopes to return home in a day or so.

President Leo Johnson conducted the Borough Council meeting Monday evening; the invocation given by Superintendent Gilbert Sanford, who also served as secretary pro tem in the absence of Margaret Brazee, in Erie for a further hospital checkup. All councilmen and Burgess Lewis Crippen were in attendance, excepting only O. B. Borton, who is ill at home. After the Burgess had presented his veto of the tax ordinance to President Johnson, the meeting was adjourned until 7:30 p. m. March 11.

Mr. and Mrs. Earl Young have returned from a three-week trip to Florida, visiting in Miami but making Lakeland their headquarters. They report moderate temperatures, not cold according to Youngsville standards. Her sister and husband, Mr. and Mrs. Gerald Matison of Russell, accompanied them on the drive down but remained for the balance of the winter.

## Youngsville Is Visited by Key Club Members

The recently-organized Cranberry High School Key Club members were guests of the Youngsville High School Club Tuesday for a 12:40 luncheon and program in the latter's school.

Visitors from Cranberry were Pete Smith, president; Carl Moonhouse, vice president; Mike Wagner, secretary; Melvin Wygant, treasurer; Duane Wible, Jerry Ziegler, Ray Hoover and Tom Miller. Accompanying the boys were Robert Wilson, Franklin Key Club chairman, and Harry Ashbaugh, principal of Cranberry High School.

George Brown, YHS club president, was in charge of the meeting and Principal Jesse Lyon extended a warm welcome and sincere wish that all might enjoy their visit in Youngsville.

Speaker for the meeting was Reid Pierce, local faculty member, who chose the topic "Relationship of Home and School". He noted in his opening remarks that he and Principal Ashbaugh had both taught at Grove City for a year.

In developing his selected topic, he mentioned the three most important things in every student's life are his home, school and church. He also spoke of his own work in bringing home and school closer by his home visits.

Guests from the Youngsville Kiwanis Club, sponsor of the Key Club, included Carl Campbell, Bill Pollard, Mr. Lyon, Don Abraham and Waide Ingols, who is club advisor.

Members of the visiting group were guests of YHS members for dinner, while their advisors attended the Kiwanis dinner-meeting, after which all attended the Eagles-Cranberry game in the school gym.

The January issue of Cooperative Engineer contains an illustrated article entitled "Ancient Greek Engineering" written by Robert Stevens (above) of the University of Cincinnati, College of Civil Engineering Class of 1960.

He is the son of Mrs. Florence R. Stevens, 205 Oneida Avenue, and graduated from Warren High School in Class of 1955, receiving the Elk Scholarship Award which he still holds.

Bob is a member of American Society of Civil Engineers and a class representative to the Cincinnati Chapter of that organization. He played in the University Band during his first two years and presently holds a position on the Dormitory Council and is an active member of Phi Delta Theta Fraternity.

## 60th Anniversary Plans For Hospital Discussed

The semi-annual joint meeting of Warren General Hospital Board and Medical staff was held last night in the hospital cafeteria with main speaker Nathan Hershey, attorney from the hospital law research study of University of Pittsburgh. Mr. Hershey spoke on responsibilities of hospital trustees.

Dr. J. T. Valone, president of medical staff, reported on the progress and activities of the staff in the last six months. He also called on the following department heads for reports: Dr. Robert Donaldson, medicine; Dr. Julius Fino, OB and GYN; Dr. Hugh Robertson, surgery; Dr. Karl Fritz, radiology; Dr. Harry Wildblood, anesthesiology; and Dr. Donald Creed, pathology.

The Board President reported on recent activities of the Board and its committees and Administrator Joseph Williamson spoke on internal problems and gave a progress report on the remodeling of the Jefferson Pavilion.

Public Relations committee chairman Charles Tranter outlined briefly plans for the observance of the hospital's 60th anniversary in May. The evening was concluded with refreshments and a social hour.

## BLUE CROSS REPORT

The Blue Cross Plan for Western Pennsylvania announced today that its January payment of \$4,309,342 for hospitalization of subscribers was the largest amount for any month in the Association's history. To provide the hospitalization benefits and operate the Plan it was necessary to draw a total of \$645,628.61 from Reserve funds. This January deficit was the largest monthly deficit incurred since Blue Cross began operations here in 1938.

## ASSEMBLY SPEAKER

Jimmy Reece, an auto racer, will present an informative, interesting and educational talk to Warren High students Friday, March 14. The program will be presented by a man who has lived racing and can show how to be a better driver. The program was developed by Champion Spark Plug Company, which recently received the Public Service Award of National Safety Council. Jimmy's fully qualified to speak on this important subject of highway safety. In addition to having driven race cars for years, he averages 35,000 miles a year as a highway driver.

## Three Planes Involved In Hoax Phone Call

BURLINGTON, Ky. (AP)—A hoax bomb scare that started with a hurried telephone call to the Delta Airlines office here quickly spread to three states and three airlines last night.

The FBI said the caller, apparently a teenage youth, called Delta saying a bomb was aboard a plane and set to go off at 9:30 p. m.—or an hour later.

Two Delta planes were searched at Cincinnati and when nothing was found, officials decided to forego further checking here.

## Retailers Will Sponsor Spring Coloring Contest

An Easter coloring contest for boys and girls in kindergarten through fourth grade will begin one week from today, March 12 sponsored by the Retail Division of the Chamber of Commerce in cooperation with the Times-Mirror.

The beginning of the contest will coincide with the Retailers Spring Jubilee event next Thursday, Friday and Saturday. Next Wednesday's Times-Mirror will be a special spring edition with reports of new fashions ideas and merchandise offered in the 45 participating local stores.

The first Easter picture will appear in next Wednesday night's newspaper and others will appear each night thereafter until a total of ten have been printed. Children may clip and color these pictures each night to be ready for the judging which will take place late this month.

Further details about entering the Easter coloring contest will be published next week. Retail merchants who are

# Three New Sports To Be Added to Dragon Schedule

## Baseball, Golf and Tennis Now in Making for Spring Activities for Students

Warren High varsity sports will be taking on a different look this spring, when three new sports will be added to the Dragons' schedule. Baseball, golf and possibly tennis, are now in the making for a fine spring season of Dragon contests.

At an organizational meeting in Warren High yesterday, approximately 50 boys were present for first baseball meeting with High School teacher Wallace Jewell, Jr. and D. Stimmell appointed as managers.

Mr. Jewell pointed out that all boys must have a signed permission slip from their parents and a physical which will be given the same night at WHS.

To begin the season, the school will furnish balls and bats. Uniforms were purchased by the school board in 1942, used only once, and if available will probably be used this season. Members have to furnish gloves, spikes and caps this season only. Catcher's gear is still needed by the club.

Seniors are permitted to join the club, as the sport will be finished with school in June, as all other school activities. Members' grades must be kept up at all times in order to participate actively.

Memorial Field, primarily, will be used for practice and sometimes Beaty Field. At the present, Mr. Jewell explained that boys will be reported to the gym to "work out" until the weather breaks.

Basketball Coach Joe Massa, who had a terrific season himself on the courts, is currently working out schedule difficulties and such possible teams as Meadville, Tionesta, Tidioute, Jamestown, Erie and Youngsville are being given a careful eye.

Mr. Jewell said any boy caught smoking or drinking is out of the club, because, "We're going to have a baseball team and not a bunch of clowns," he stated.

The club will be governed under P.I.A.A. as all other sports, but will not be a letter sport this season, but next year.

At the same time in another room, boss Loyal Briggs with Fred Bell and Richard Kauffman signed 112 boys for track. Included among those were 10 seniors, 23 juniors, 44 sophomores and 35 freshmen. Returning lettermen were listed as Bob Swanson, mile and 880; Jack Suppe, sprints; Clair Trembley, pole vault; Bill Brumagin, high hurdles; Bob Haslet, 440; and Craig Johnson, low hurdles.

Fred Lindstrom, new pro at Conewago County Club, conducted a golfing demonstration.

### NATIONAL FOREST TIMBER FOR SALE

LOCATION AND AMOUNT: The entire contents of all trees marked for cutting on an area of about 90 acres within the Allegheny National Forest on Warrant No. 5203, Hickory Township, Forest County, Pennsylvania. ### Warriors in Position To Get Into Playoffs

By THE ASSOCIATED PRESS

The Philadelphia Warriors, having shaken a mild slump, are in an enviable position today to clinch a National Basketball Assn. playoff spot in the next few days.

Beaten by Cincinnati and Minneapolis last weekend, the Warriors bounced back to defeat the Royals 97-91 in the opener of last night's doubleheader in Madison Square Garden. The New York Knickerbockers kept alive their slim chances of catching Philadelphia by downing the Boston Celtics 104-99 in the second game.

The Philadelphia victory reduced to two their magic number for a third place clinching over New York in the eastern division. Any combination of two Warrior successes or New York reverses will qualify Philadelphia for the post-season competition.

## In Training Camps

By ARNOLD ZEITLIN

The Associated Press

Billy Herman, former Brooklyn second baseman and now a Milwaukee coach, says the Los Angeles edition of the Dodgers are "prima donnas, pouters and complacent athletes who have to be forced to work. The club got a transfer, now it needs a transfusion of young blood."

It's a "revelation the way the players hustle" on the world champion Braves, said Herman in Bradenton, Fla.

Told about Herman's remarks, Buzzy Bavasi, Dodger general manager, said at Vero Beach, "That's why we changed coaches."

Star invalid of the spring training season is Ted Williams, Boston Red Sox slugger. His doctor looked at an X-ray of Ted's lame left ankle in Sarasota, Fla., and said the batting champion should be in perfect shape in about three weeks.

Billy Bruton, Milwaukee center-

fielder, has a game knee. His doctor said he was pleased about the knee's condition "but it still will be quite a while before he is able to have full workouts."

Bobby Bragan, Cleveland manager, assigned Herb Score to pitch against the San Francisco Giants Saturday in Tucson, Ariz. Score hasn't pitched since he was hit in the eye by a batted ball last May.

Jack Harshman pitched three innings in the Baltimore Orioles camp at Scottsdale, Ariz., and said he felt fine. Harshman has a ruptured spinal disc.

Lee Walls, Chicago Cubs outfielder, needed four stitches when he gashed his head on a steel girder in Mesa, Ariz. He turned reminiscent, added up his other injuries since he joined the club last season and announced, "I have more than 100 stitches."

Don McMahon, 28, Braves reliever, was the lone signer yesterday. He left the Milwaukee team with four holdouts, including World Series biggie Lew Burdette.

Temple has a winning streak of 22 games, San Francisco 20, Cincinnati 15 and Notre Dame 10.

In 1955 San Francisco went to the tournament with 21 in a row, then swept through five tournament games to become champions. That carry-over string had been stretched to 50 when the unbeaten Dons of '56 went into the post-season scrambling. It was up to 35 when they disposed of Iowa in the finals.

Last year, unbeaten North Carolina won 27 straight up to national tournament time and added five more for the championship.

None of this year's already-qualified red hots blew over opponents last night, but all four managed to win and keep their streaks going.

STEELERS SIGN UP TWO All-American Guards

PITTSBURGH (U) — The Pittsburgh Steelers of the National Football League have two All-American guards under contract for the 1958 season.

The Steelers said last night they signed Aureliu Thomas, but did not disclose terms. Thomas played a key role in Ohio State's Rose Bowl victory over Oregon last New Year's.

The other guard on the 1957 All-American team, Bill Krisher of Oklahoma, was signed earlier.

**DOG NAPPING**—Tiny Robin Remondi, of Armonk, N. Y., was catching a fast 40 winks at a dog show in Manhattan. She used Chip, a German shorthaired pointer, for a pillow and, while Chip didn't seem to object, he is keeping one eye open on all that's going on around them.

# PICTURE NEWS

## AROUND THE WORLD

**MOUTH WATERING**—As a street vendor whets their appetites in Naples, Italy, youngsters gather around. They're watching him pour melted sugar from a charred pan onto a marble stone to fashion his candies. Candied apples and other sweets are cheap and sell for a penny or two each. But sometimes it's a question of not having that penny or two.

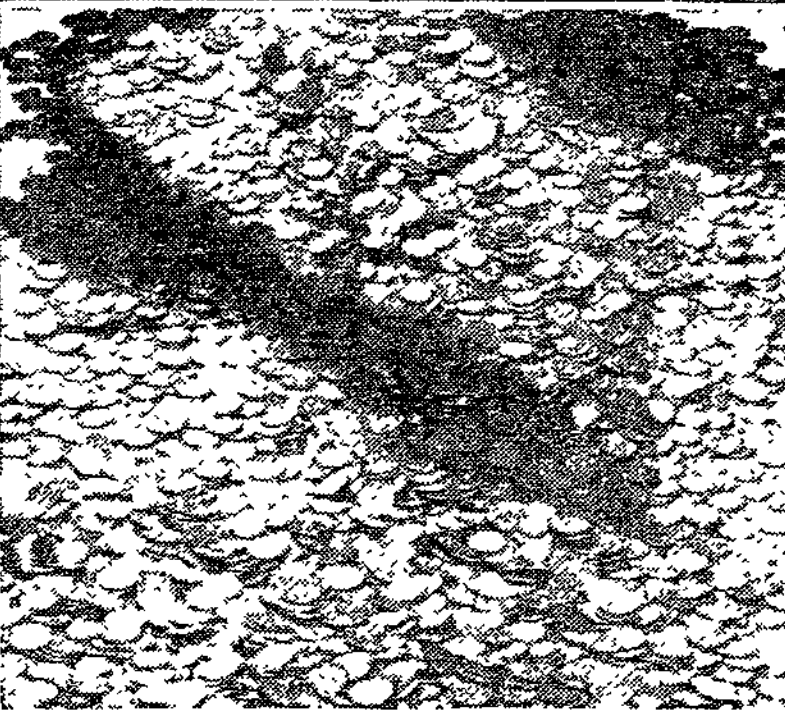

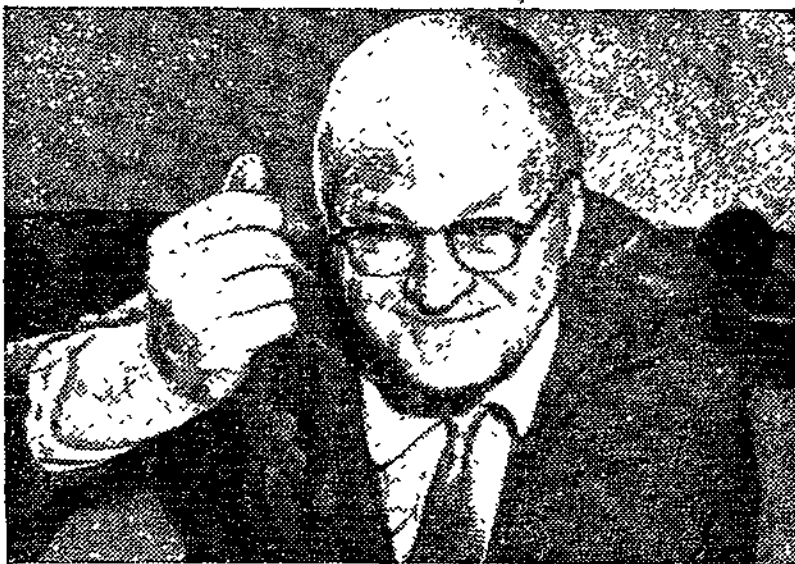

**BLESSING EVENT**—French naval cadets thronged the rigging at the traditional Blessing of the Sea in Saint Malo, France. The annual ceremony attracts huge crowds as the blessing is bestowed on sailors and men who fish in dangerous waters.

**A HELPING HOWL**—Whenever Suzy, a cat, is left in the the cold at Akawville, Ill., her pal Mickie, a dog, sets up a howl that blends with Suzy's meows. They're looking through a glass at each other, hoping someone will open the door.

**ON DISPLAY**—Students from the Massachusetts Institute of Technology are shown as they gathered around a BOMARC Air Force missile as it went on display in Cambridge, Mass. The 47-foot, 7-ton rocket is part of a missile exhibition put on at MIT. As it loomed up high over the heads of those looking at it, the missile gave a good indication of what could be expected in the future.

**PENNY PINCHER**—G. E. Mark, postmaster of Tioga, N. D., is shown with his collection of those "white pennies" issued during World War II to conserve copper. Mark started saving them 11 years ago and has gone a long way toward cornering the market. He has 10,000 of them, weighing 62 pounds.

**SELF-WARMING**—There's really no heating problem for this Emperor penguin chick. The small one is resting on its mother's feet and stays there even when she walks. The picture was taken by an official U.S. Navy photographer near Ellsworth Station in Antarctica where the Navy is supplying scientific teams of the International Geophysical Year.

**SOMEBODY'S REAL GONE**—That was a heavy snowfall that fell on the eastern states, but it looks like somebody in New York City has been snowed under. Luckily, no one is attached to the gloves which were symbolic of persons throughout the cold zone who got swallowed up by winter.

**TWO ON THE NOSE**—Some youthful comics in Cleveland, Ohio, are really gumming up the works as they stick their noses into the camera. Jerry Slezak, left to right, Danny Powers and Jimmie Davis are the posers, but Danny didn't have any bubble gum to put on his nose.

**ARIZONA'S OWN**—Wearing the creations of Arizona designers, which they modeled at Tucson's Festival of Fashions, are two pretty gals, Mrs. Morris Udall, left, and Gwen Barthel, right. Songs and guitar of recording artist, Katie Lee, center, were a delightful addition to Tucson's fashion fiesta.

**BLACK AND WHITE**—Some of the gravestones in the cemetery of Trinity Church in New York resemble a pretty painting by Grandma Moses. The photo was taken from a nearby skyscraper after more than eight inches of snow had blanketed the city.

**STEADY ON THEIR FEET**—In Indianapolis, Ind., there's a new going-steady fad. Bob McKisey, 16, is checking to see if 15-year-old Gloria Noble is still wearing one of his socks, as well as one of her own. He wears one of hers, and both have matching sweaters and shoes. Other: students wear matching slave bracelets and broken-heart pendants.

**CLOSE UP**—Lt. Gen. Josef Kammhuber, chief of the West German Air Force, is examining the U.S. Air Force's newest fighter, the F-105 Thunderchief, at the Republic Aviation plant in Farmingdale, N. Y. Mundy I. Peale, right, president of the company, escorted the general and two of his aides on a tour of inspection during their visit.

## Twins for Twins Is Mar. 10 Offer From Bevevinos

Twins for twins.  
That's the unusual offer being made to Warren County parents who are fortunate enough to have twin babies born to them between 10 and 11 p. m. Monday, March 10.

The second set of twins are babies but full-sized Westinghouse Space-Mates laundry twins, a Laundromat automatic washer and an electric dryer.

The offer is being made by Bevevinos Electric Company, local Westinghouse dealer, to celebrate the Westinghouse Wash Test, which is to be demonstrated live on "Studio One" March 10.

Mark R. Bevevinos said the Space-Mates twins would be given absolutely free to all parents who become progenitors of twins while the program is being telecast. Local viewing will be on Channel 4.

In the wash test, the budget priced Westinghouse S-P Laundromat, with its patented revolving agitator, will be pitted against the most expensive center-post models of three competing manufacturers in a test proving that even the lowest-priced Westinghouse Laundromats wash clothes cleaner and rinse them better than the highest-priced center-post washers made by other firms, and then even clean themselves.

In the wash test, Mr. Bevevinos said, six clean towels are placed in each of the four machines, together with the proper amount of detergent as recommended by the manufacturer—one cup in the case of the center-post machines and a half-cup in the Laundromat. Then two cups of heavy soil are added to each machine. Each washer is set for the same washing time and all four machines are allowed to progress through their normal rinse and spin cycles and complete the washing process.

"Because of the revolving agitator in the Westinghouse Laundromat, the six towels in that machine are taken out absolutely, spotlessly clean and completely soil-free," said Mr. Bevevinos. "However, towels removed from the three center-post washers are grimy and gritty with heavy soil, unfit for use."

By OSWALD JACOBY  
Written for NEA Service  
Larceny Lou does not confine his tricks to the play of the cards. His deceptive bidding is a thing of beauty.

His partner happened to be a conservative bidder and when he was able to bid four diamonds over East's presumptive three-spade bid Lou decided that he had to have a side ace for the bid. When West put in a four-spade bid Lou decided that his

side had a cinch grand slam in diamonds but that East and West undoubtedly had a good save in spades.

An ordinary bidder might have jumped right to seven diamonds or played possum with a six-diamond bid only. Lou went one step further with the quiet tactics. He simply bid five diamonds!

Lou had a brief anxious moment and then East obliged with a five-spade bid. This was passed around to Lou and he went on to six diamonds.

East and South both passed and Lou had another anxious moment until West got into the swing and went on to six spades.

Lou passed this bid. He knew his partner would act and his partner did. He doubled the six-spade bid. When it came around to Lou he went on to the seven diamonds he had been heading for all the time.

East looked at Lou suspiciously. He wondered what Lou was up to. Then he looked at his guarded queen of hearts and ace of spades. Maybe he had defense after all. In any event, East passed and so did West. A spade was opened and South spread his hand.

East and West would have been down only five or minus 900 at seven spades.

## CARD Sense

Q—The bidding has been:  
West North East South  
1 ♠ 2 ♠ Pass ?  
You, South, hold:  
AK 2 9 4 ♠ A Q 9 8 6 ♠ K 8 7 5  
What do you do?  
A—Bid three no-trump. You have to take a chance on the heart suit.

## Scout Recognition Dinner Is Held At Youngsville

YOUNGSVILLE—About 175 boys and families, representing Scout Troop 21 and Explorer Post 31, gathered in the social rooms of EUB church for the annual Scout Recognition dinner. Table grace was given by the Rev. F. Eugene Donelson and Jesse Lyon led the group singing.

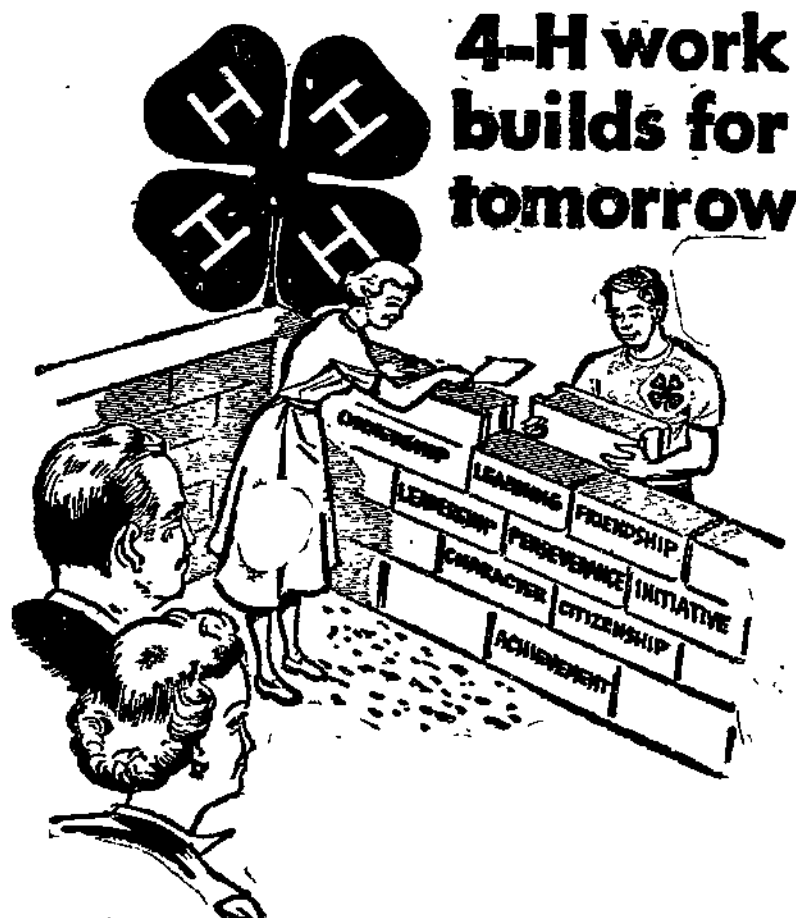

The group retired to the auditorium for the program, which was presided over by Gilbert Sanford. After thanking all the women as well as the men, who had planned and served the dinner, done the decorating, etc., and welcoming everyone, he called on Mr. Donelson for the invocation.

Committee Chairman Marion Blackmer introduced the Scout committee and Scoutmaster James Thompson, who presented his troop by patrols. The Troop gave a demonstration of first aid such as might be necessary at the scene of an automobile accident: putting an injured arm into a triangular sling, bandaging a wounded head and hand, putting splints

Explorer Post 1 was presented and demonstrated part of a mild but humorous initiation. The troop was introduced by Jesse Lyon, also the post committee and advisor, Alan Lyon

High point of the meeting was presented by advisor Lyon of the Eagle badge to Denny Clark, son of Mr. and Mrs. Kenneth Clark, who appeared on the platform with their son while Mrs. Clark pinned the badge on Denny. The young Eagle is also the holder of the "For God and Country Award" which involves 15 hours of work for the church. This includes such varied activities as singing in the choir, leading young people's meetings, know-

ing the history of the local church, its mission field, its denominational colleges, mowing the lawn, etc.

Richard Bauer spoke briefly, expressing the hope there will be more Eagle awards next year, as several boys are now well on their way to that goal. The meeting concluded with the benediction by Mr. Bauer.
